Your Voice Matters

We Are Listening

Take 5 minutes to share feedback on your visit and help us improve care!

What do I need to know about Your Voice Matters?

- Your Voice Matters is a set of questions that gives you the chance to share feedback on every step of your visit
- Any adults being treated for cancer in Ontario are invited to complete it
- Caregivers can fill out Your Voice Matters on a patient's behalf
- Your responses will be confidential and won't impact the care you receive

To learn more ask staff or a volunteer or visit cancercare.on.ca/YourVoiceMatters for your local contact's name and number

Why is it important?

Your local care team and Ontario Health (Cancer Care Ontario) need to learn what these experiences are like from your perspective to understand how we can improve the experience for patients and caregivers across Ontario
