

## **Hepatocellular Cancer Pathway Maps Acknowledgment**

The following individuals are acknowledged for their involvement in the development of the Hepatocellular Cancer Pathway Maps, in their capacity as clinical experts, as listed below.

All individuals acknowledged here have reviewed the content of the Pathway Maps and confirm that, with respect to their medical specialty and to the best of their clinical judgment and opinion, the Pathway Maps depicts evidence-based best practice and is informed appropriately by expert opinion where evidence is conflicting or missing.

Furthermore, they support the release of the Pathway Maps on the external Ontario Health (Cancer Care Ontario) website, and they consent to their names being listed as contributors to the Pathway Maps.

Members of the Ontario Hepatocellular Cancer Working Group who advised on content the Hepatocellular Cancer Pathway Maps.
